“ *Joan and I have so many fond memories of fun and games we played with the Taranto's. We first met Al and Pat here in Sun City. Then when they moved to Florida, we had semi-annual visits. Al was a very talented artist. In fact I have a painting he gave me of firemen fighting a big fire. He will be missed by friends and relatives. The good news is he is with the Lord and no more suffering. God Bless the Taranto Family.*

“ Pat, I have strong, fond memories working with Al (my mentor) in Hartford engineering. We had many good times together, both in and outside of the office. He also introduced me to the humbling game of golf. Wishing you the best. David Nelson
