“ *Ralph and Arnie shared the same dinning room table at Carriage House, for all the time they have lived there. I often joined them. It was such a pleasure to visit with such a nice man. We all have such nice chats about everything and lots of laughter . We will miss his nice smile and wanted his family to know it was a pleasure to have known him. I am a friends of Ralph's and Ralph so enjoyed Arnies friendship. Peggy Hayes*
