“ It was with great sadness that I learned of Art's passing. Though retirement and time limited our contact, I remember the many years we had worked together at Wassaic and the pride which lit up his face when he spoke of his children and family. His dedication was to his profession and his family. My sympathies and prayers to you all.

“ Words cannot express the profound saddness I am feeling over the loss of your Father, Brother and family member. I still cannot believe what I am reading. This is so sad and incomprehensible. Art was my favorite nursing instructor in Nursing School and eventually became my Nursing Chief and friend. His love for his family and his love of life was so amazing. To Artie, Jr., Sarah and Bobby Bags: please know that my prayers and all good thoughts are with you at this time. God Speed My Dear Friend and Colleague.
