“ I am deeply moved by Artie's passing. He was my very best friend at St. Nicks grammar school. We kept track of one another thru out our entire lives and tried to stay close even though we lived far apart. Art visited us in our home in North Carolina & we visited them several times at the Villages. I would like to tell you some of our stories. May God bless him & your family. James McCauley

“ Our condolences to the family. A longtime friend of Art and his wife, we enjoyed many good times. We enjoyed cooking tips together. We kept in touch via e-mail and had visited him and Regina at the Villages for a fun time. And a trip to the condo. A good man that enjoyed people and life. RIP The Kennedy's
