“ *Thoughts to the family of Art! I remember going through Lady Lake and knowing the Amish Furniture Store belong to friends from home! And everytime we went to Whitney's, we would ask of the family in Lady Lake. I met Art one day at Whitney's and he was so kind and gentle. A happy man that loved his life and what he did. So proud to have a lovely wife and roots in Lady Lake while still able to do his work on the road. Love to all and love to Art and his family!*
