“ You all were so lucky to have such a mother. She was a very special friend to my mother, and I will always remember her many thoughtful and kind gestures---especially when I married and when I lost my mother so many years ago. We did share some fun memories of times at the big house and your dad's antics when we were kids. Please know you are being thought of with much sympathy and many warm thoughts. Happy

“ I'm sure that Jeff will be at the services. I just wanted to express our love to the family. What a great woman Mrs. Dooley (she'll always be that to me) was. Her passing represents the end of a different era. However, the memories are still there. Chris & Cindy Ray Sanford, Florida

“ To Senie's family, Senie was a P.E. O. sister of mine and although I hadn't visited her recently I have thought of her often with admiration and fondness. She loved her family and was a lady at all times. I feel honored to have called her friend. Unfortunately because I am my husband's caregiver I was unable to attend her memorial service today, but my thoughts are with you at this time. Sincerely, Joan Brown

“ Jessica it was so good to see you at your mothers funeral. You look wonderful. So sorry I didn't get to go over to the house and visit. Would have loved to have caught up on the last 40 odd years. You look so much like this picture of your mother. What a beautiful service. Condolences to you and your family. Love, Candace
