“ I had known Ashely since 7th grade English with Mr.Bristo. We hung with same group of friends and even had similar taste in fashion at the time. As the years went on we drifted further apart. On a visit to Florida recently I ran into her at megacon and it was so nice to see an old friend and catch up for a minute. I didn't think that would be the last time I saw you. It breaks my heart to think I'll never just run into you like that again. Even though we hadn't spoke in forever we still felt like friends. You will be missed by so many.

“ Ashley was a beautiful young lady, inside and out. I never left talking with her without letting her know that and without a hug. She was a ray of sunshine and a huge presence. We will all miss her so very much. Much love and prayers to the family during this time.
