“ Allison & Clay, What can we say except that the Lord loved her & wanted her to be with Him. He will sustain you with His love & peace. He made that promise to us when He left us from this earth and I know He will take care of all of you too. We never met her except to see her beautiful pictures on F/B. I enjoyed them so much. We'll see you on Wednesday. God Bless you. Love Mamie & Poppie

“ I miss you more than I could ever express. Everyday I come home and I wish I could you sitting in your chair playing. Your big brother asks for you everyday. He says he plays with you in his dreams. We all love you very much my love bug. -- Alli I have always been by your side every step of the way of everyday. I am lucky to call you not only my sister, but my best friend. Somehow we will get through this. It's not easy, at all, but we will survive and push through for Aubrey. We live for her now. I love you. Love, Ashley xoxo
