“ *Judy - Susie, I know you miss your Mom and my sympathies to you both. I must admit that as much as I miss Aunt Audrey, the memories of her just make me grin. She was so funny when she would hang out with my Dad and Aunt Ruth and start in with the "Maine" humah. They would all tell jokes and stories and start laughing! I would laugh just watching them all and how much they loved each other. Your Mom was right in the middle! Aunt Audrey was such a lady and such a wonderful person. It was impossible not to love her to pieces! I will miss her! You take care of yourselves and our prayers are with you both.*

“ *My Aunt Audrey is a beautiful and loving woman. She has done so very much for our family and she will always be a model of treating others in a graceful and compassionate way. She had that firm hand and loving soul that is so often found with her brothers and sister. I'll always think of Audrey as my friend. I'll miss her and her communications very much.*

“ Dear Judy, I can't imagine what a difficult journey this has been for both you and your mother. I'm sure there is relief that she is no longer suffering, but there is certainly the pain that she is gone. We especially remember her as a part of our team in the post-Andrew days! How fortunate she was to have you to care for her throughout her illness and especially in the last weeks and days. Now God will take over for you. Our prayers are with you and your family at this difficult time and all the days ahead. Much love, Roseann and Herb
