“ For many years Audrey was active in the Macomb County Genealogy Group, and regularly attended our meetings. She also spent many hours in the genealogy room at the Mount Clemens Public Library indexing obituaries from the 1940s from the local papers. These were added to Library's Obituary Index on their website, to help other genealogists all over the world. We had many nice conversations, and I often think of her. My condolences to her family. Ann Faulkner, Harrison Twp. MI
