“ Dear Jimmy, I am so sad. She was so young. All of the Sines family shares in your sadness. I never met her, but I am sure we would have gotten along well with her love of creating. Please remember that even though our lives are lived miles apart.....we are all family and love and think of each other often. Donna J Volk

“ I offer my condolences to the family and friends. You have suffered a great loss and I know this is a difficult time for you. As your loved one remains in your memories, our Heavenly Father has a book of remembrance and has provided the hope of a resurrection for those sleeping in death. Acts 25:14 states, "And I have hope toward God, which hope these men also look forward to, that there is going to be a resurrection of both the righteous and the unrighteous." Rejoice in this grand opportunity to be reunited with your loved one at a time in the near future.
