“ I am so lucky to have had Audrey as my aunt and to have so many wonderful memories of the times our families shared. I will miss her smile, her laughter and presence in my life.

“ I'll miss her more than you know. She was the "big sister" I never had. Ken says he remembers how she was determined that we were going to buy a house in Greenhills. Well, we sure did; been here 40 years. We remember some of those funny family reunions. I remember her mom making all of the girls me included our Easter outfits. I remember the telephone truck almost wrecking when Audrey was outside working in the yard in FP. We will miss her and keep you in our hearts. Love, Ken and Connie

“ Audrey was a loving and enjoyable sister-in-law. Dick and I spent a lot of time during our wonderful 14 years together with she and Russ, playing cards, talking, eating out, watching Ohio State, and visiting when her children were in town. I have missed our get-togethers over these past 7 years. My heart goes out to Russ and her family. I have fond memories of her and wished we had stayed in touch. Hugs to the family. Jean
