“ *I am so sad to learn of Mrs. Jameson's passing. She was one of my all-time favorite teachers even though I would never rank as one of her best Spanish students. But she believed in me, and offered me the best support in everything I set out to accomplish. And she was always there with advice or a loving hug. And it was the same over the years on the all too rare occasions when I was able to see her. May she rest in peace. And to those she left behind, know that she made a big difference in my life, as I know she did in many other lives, as well.*
