Over time, the pain is replaced by the memories. And looking through the pictures, there are a hell of a lot of memories.

I just loved having her as my math teacher. I was fortunate enough to have her two years in a row at CVS. She was always so good to me. I was happy to run into her in town and we would talk and catch up. Prayers for you and your family. Mrs. Mattox was a wonderful lady.

“ Godspeed Babs! She was my first, “Bestie”, growing up! We were neighbors for years, early on in our lives. All of us siblings, played together most everyday, and we were classmates all the way up. I have lots of beautiful memories, of Babs and in the playhouse our Fathers built for us, among one of them. I’ll see you on The Other Side, when it’s my time, and I’ll want a huge hug!

Sending prayers and love to, Mike, and the kids.

Sending Condolences,
