“ Barbara brought us a housewarming gift to our new home in The Villages, a pineapple tea light burner. Pineapples are considered an expression of "welcome" throughout the South and symbolizes assets we appreciate in our home - friendship, hospitality , love and warmth. This describes Barbara exactly -- friendly, warm, and always full of love. What an "asset" to our family. We will miss you and know God has a special job for you , to bring that special warmth and love to others. Love,
Sharon and Berry
