“ Barb was a friend and neighbor for 50 years before her and her husband, Ken, moved recently to Florida. We knew Barb, her parents and grandparents, they were all a joy to know. Quick to help, always eager to make others smile and laugh. As former, longtime neighbors we miss seeing Bab and Ken's evening bon fires.

“ Barb was family and a dear funny friend, she use to come to many parties at my home. Barb and I spent several weeks together writing a birthday song and a dance for our sister in law Janice. We dressed up as clowns and went to the bowling alley to surprise, sing and dance for Janice. Barb was one of the funniest people I ever had the pleasure to call friend. My girls and I will hold our memories of her close to our hearts. Sandy Clement
