“ I've known Barbara all her life. As children, we used to play together at Aunt Faye's. She was such a sweet little girl. I attended her wedding in Mooreland, IN. She and her girls visited us when we lived near Muncie. I got to talk with her at her brother's service. She brings back a lot of good memories. I'll miss her.

“ We were so sorry to read the news of your mother's passing in the Courier Times. We remember fondly the time we were neighbors, and we kids played together. Mom doesn't do anything online or by text, but she asked me to post this message as soon as we returned home from vacation. Our thoughts, prayers and memories are with you all.
