“ *We are all so sorry to hear of Barb's passing. She was one of the original shareholders who made Griffwood as special as it is today. I remember my mom talking about her friend Barb, before I even moved here. She was one tough lady, but also had a wonderful sense of humor. She has been, and will forever be missed by all of her neighbors. Rest in peace Barb*

“ *While walking with my Great-grandson, we would stop and visit with Barb. We enjoyed the visits and Cecil enjoyed seeing the alligator in front of the TV. I felt as tho we were great friends as we were both from Ohio.*

*Barb was a real lady and she will be missed. I offer my condolences to her family.*

*Rest in peace Barb.*

“ *Barb was our friend, and we loved her dearly. She loved playing cards on Wednesdays. She watched out for us and would call us if she felt we'd been out on the boat too long! She is deeply missed.*
