“ Our deepest sympathy to the entire family at this sad time. We didn't know Barb well but she was very friendly and helpful when we met with her at The Cabinet Source to arrange to have our countertops replaced in our kitchen and bathrooms. She was a great gal and we know she will be greatly missed by everyone. Our condolences to you at this time of loss.

“ Our thoughts and prayers are with the family. I loved working with Barbara in designing my kitchen. What I love most was her honest opinion and her patience in working with a beginner (me) who was getting a new kitchen and did not belong to the "Joy" of Cooking Club. She will be missed by all.

“ Dear Jimmy & family, I am sad today to read the news of Barbara's passing on Sunday. As a past customer of your business I did not know her well, but will remember her huge smile. I last saw her in January at Big Lots of all places, and knew she was on chemo. I had my own diagnosis the previous month so we chatted. I admired her strength, positive attitude and love for family was evident by her telling me about the purchases for grandchildren in her cart. God Bless you all as I know her spirit will always be with you. Sincerely,
Nancy Lofye
