“ How many family gatherings centered around Uncle Jimmy and Aunt Barbara's. I will never forget her coconut cakes. Playing at their house I got my coffee table scar above my right eye when playing keep the balloon up. It is now my family legacy my husband and daughter both have scars on their right eyes all from coffee tables. I know you are rejoicing with your mom, Uncle Jimmy and Grandma and Grandpa my mom, Aunt Brenda, Cricket. You will be missed. We know you are in a better place
