“ I am so sorry for the passing of Barbara, my condolences to her Family and friends. I know too well the pain of losing a loved one and what helps me is God's promise at Revelation 21:4"-And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be done away with and we will see our loved ones again. I hope this comforts you as much as it does me

“ *Barbara was my first and best friend when moving to Florida and leaving all family and friends behind. We had many fun times and lots of laughs and many conversations about ourselves, our family and where we would go for dessert. She is sadly missed but will always be remembered. With love, Joyce & Ray*
