“ *Through the years we part company, and lose touch, but we can recall times spent together and smile. I loved working with Barb at Ashland Coal in Huntington. I remember her good attitude, her humour, her love for her family, her willingness to help others, and thank goodness her exceptional computer skills. i will continue to pray for Jeff's healing and strength for the boys and rest of the family. One thing i am sure of is that i will see her again some day.*

“ I was saddened to learn of Barbie's passing. My heart goes out to her children and especially her husband. While I have lost both a father and a sister, I have not experienced the loss of a spouse. I pray that God will give him strength to face the loss of his dear wife and his own recovery. May God bless the family and give them peace in this time of mourning and need.

“ Our prayers go out to Barbie's family. I attended school in Fort Gay, Wv with Barbie. It breaks my heart to hear of this tragedy, but it brings a smile to know that she knew the Lord and that she was active in her church. Barbie was always the brightest student in our class but was just as friendly as she was smart. She will be greatly missed by all who knew her.
