“ I worked with Barb at the Guardian ad Litem Program for over three years. She was one of the most dedicated and passionate people I've encountered, but also knew how to keep a sense of humor and wit. I will miss working with her. -Aimee Palumbo, GALP attorney

“ Dear Gary, Kim, Lisa and the entire Lemke Clan, The thoughts & prayers of our entire family are with you and your Mother Barbara today. While we did not have the opportunity to know your Mom, the quality of character that you all exhibit in your lives leaves us with a lasting memory of the type of person your mother was....loving, caring and leading by example to help you become the wonderful people that you are today. Your mother is with God today and that is a wonderful place for her to be indeed. May the memories of all that she gave you, all that she was bring you peace today.
