“ Richard, Mike, Cindy, Mark, Kelly, Cathy: I am so sorry for the loss of your wife and mother. Barbara was always such a positive, joyous and full of life lady. I was privileged to have her as my 6th grade teacher and she was a wonderful teacher. She always brought out life lessons for us to think about. I loved coming over to your house and hanging out with Mike. What a great house and so much fun to explore the nearby woods and lake. Your mom always made me feel like a special guest. She lives in you all. Accept my condolences and my prayers are with you all and Barbara. Pat Heffernan

“ I just read Barb's obit in the Commercial News. I am so sorry for your family's loss. I first met her at Washington grade school. She was fun and always nice to everyone. At DHS she continued to be a lovely, caring person. Her picture shows she hasn't changed. Such a special girl who grew into a special woman. Our prayers are with you.

“ Dear Mayoras Family: Condolences on the passing of your Mother. Although none of you were in the class of 77, I still remember Kelly quite well and her younger siblings. I understand that your Mother did finally come and teach at St. Paul's and I know your family was quite active there as well as SHS. I always admire how very pretty your mother was and how bright and sunny she was every time I saw her. I know you will miss her. Love, Peace and Comfort to you, as she now enjoys that eternal place we call heaven!
