“ I was so saddened to read of Barbara's passing. My thoughts are with all of her entire family as you go through the worst that life unfortunately brings. It had been many years since I had seen Barbara, but I still remember her gorgeous red hair and never ending smile.

“ Frank & Mollie, Did not ever meet your sister, but remembered you always talking about her. From what we have heard it sounded very un-expected. Will keep you in our thoughts and prayers at this trying time.
