

## Barbara Glynn Paszkiewicz

October 23, 1937 - December 27, 2020

Long time Villages resident Barbara Glynn Paszkiewicz left this Earth December 27, 2020.

An only child, Barb was born October 23, 1937 to William Fultz and Viola Flentje, in Milwaukee, WI where she lived, worked and raised five children. Before retirement she worked for the Milwaukee Public School System as a Teaching Assistant for over 20 years. A keen observer of human behavior she always thought she would have made a great FBI Profiler. Her children would agree.

Barb married Ralph Paszkiewicz in 1986 and soon after they moved to Florida, first to Panama City Beach, then to The Villages.

As a Villages resident for over 20 years, she especially enjoyed her frequent visits to the Spanish Springs Square where she would enjoy good music, great friends, and her rum and coke with a cigarette...or two. She was a fixture that will be missed by all regulars at Spanish Springs.

Barb was preceded in death by her husband Ralph Paszkiewicz, and sons Timothy (Stefani) and Todd Manthe, and stepson Mark Paszkiewicz. She is survived by sons Thomas (Lonna) Manthe and Trent (Mary) Ventura, daughter Lori Ventura, stepdaughter Kathy (Robin) McKercher, and 15 Grandchildren and 15 Great-grandchildren.

A Memorial Service will be held on Tuesday, January 12, 2021 at 11:00 am at Beyers Funeral Home, 134 North Hwy 27/441, Lady Lake, FL.

“ *Don and I will miss Barbara, she was a wonderful neighbor! Her stories of what the Villages looked like when she and her husband first moved here were always so interesting. It was also always fun to run into her at the square, always sitting in her favorite spot with her friends. Our condolences to the family, may she rest in peace ...*

“ For her family,

*On August 9th, 2009, I fell in my sisters garage. Barbara lived across the street. Due to other circumstances, I could not move and was experiencing a major brain bleed.*

*About an hour later, Barbara returned from shopping and noticed I was not moving.*

*She immediately checked on me and called 911.*

*I was in and out consciousness and was eventually transported to U OF F in Gainesville.*

*6 months later I was fully recovered.*

*Had Barbara not stepped in when she had, I would not be here today.*

*Doctors believe I was about 15 minutes from death when she intervened.*

*I will be forever grateful and have never forgotten her.*

*God Bless!*
