“ I just saw your mom's death notice in the newspaper last night (I'm way behind looking at the paper because of dealing with the death of my aunt that I was taking care of.) It was a shock - I didn't know she was sick. I'm so sorry. Linda or Cathy, please call me. Mike gave me her phone number the last time he was here, but I misplaced it. She was the best renter we ever had and I have really missed seeing her. I loved her very much and believe she is now in heaven.
