

Barbara Faye Steffel

September 11, 1940 - April 20, 2023

Barbara Faye Steffel, 82, was called Home on April 20th, 2023 while in Leesburg FL. She spent her final days with loved ones and new-found friends, as she touched many lives and left a memorable impression. She was born in Cub Run KY, 9-11-1940, graduated High School at Arsenal Tech and spent most of her life in Indianapolis, IN until moving to Florida May 2017, to enjoy sunshine and a retirement lifestyle.

She held many positions of influence in the Banking Industry & Endowment Foundations and was an Executive Assistant to high- ranking professionals. She was known for her incredible organizational skills, attention to detail, tenacity, and drive to accept nothing less than perfection. She made people's lives much easier, always did things with pride, and was always willing to help another succeed.

Barbara was a shy person on the inside, but she never let that show. She had wit, an amazing smile, and a belly-laugh (with snorting) if you were lucky enough to experience, would touch your soul. She was an avid gardener, loving to dig in the dirt (earth), who took tremendous pride in having a beautiful home. Non-stop decorating made her happy, as well as being able to have people over to prepare a dinner of sorts and share her home- as she was an amazing cook. Playing cards, sewing, puzzles and spending time Antique Shopping with her friends, finding a wonderful piece at a bargain price

was how she joyfully spent her free time.

She had a wide circle of friends and acquaintances developed over all the years in Indiana and Florida and everyone who met her found fondness for her unique personality and flare. In her final years in Independent Living and Assisted Living, she brought color, dignity, and a bright light to places. She will not be easily forgotten.

She is preceded in death by her Son, Geoffrey A. Webb; and survived by her other two children- David R. Webb, Son and Lori L. Michaels, Daughter... There is no funeral service. Cremation will take place at Beyers Funeral Home in Lady Lake, FL and she will have a niche as her final resting place at St. Luke's United Methodist Church in Indianapolis IN (Columbarium).

Arrangements entrusted to Beyers Funeral Home of Lady Lake, Florida.

“ My dear, caring, delightful friend of 68 years I will miss hearing your voice but always remember your laughter and your love. From our high school days at Arsenal Technical High School in Indianapolis, through our years as young wives and mothers, our days in Manhattan when our husbands were stationed with the Army on Govenor's Island on through many years when we finally reached the Golden Years and could still laugh like teenagers again, I will cherish each of our times together. I love you dearly and know you are with our Heavenly Father and reaping the rewards of your vast Faith. God be with you until we meet again. Barbara French Brown

“ What an amazingly impressive lady Barb was. So professional and totally buttoned up. When Barb was involved in a project it would be done right. I so enjoyed my time working with her and will remember her fondly.

“ Wow, this was a true shocker. When I first started this job as an aide, she was one of the first people I actually grew close to. Even if I didn't have her I would go into her room for conversation. She was pure sweetheart & I am glad I got to meet her. May she rest in peace. To the family, I am so sorry for your lost.

“ I was one of the aids from lake port that had the honor of taking care of her. She was a beautiful person inside and out. It was an honor to know her. Rest in peace you will be missed.

“ I got the honor of meeting Barbara in Leesburg F.I. as her C.N.A. Although it wasn't for long, she made it easy to do my job. I loved coming in on my shift to greet her, knowing that I'd be welcomed with her beautiful smile every time. The Lord has gained a beautiful angel and it's never a "goodbye" just a "see you later"! My condolences to her family. Love, Feniese Presy

“ What a lady - and someone I called "friend" for more than 25 years. I worked with Barb and my first impression was, "wow - she's smart and efficient and knows her stuff." Smart as a whip! Then I got to know her personally and our friendship developed. She was always warm, engaging, sincere, direct, quick witted and always there to rescue you if you needed rescuing - or to offer a listening ear. I will miss her dearly, but know she has a special place in Heaven and is at peace.

“ Barbara’s friendship came late in our lives when she moved to FL but I am so thankful that I got to know her. She brought so much laughter & happy times into my life. She was a joy to be around as we shared many stories, both happy & sad and many secrets we promised to take to our grave! I can’t say enough about her kindness, love for her family and friends and the special friendship we shared. I loved her dearly and will miss her terribly.

Lynn chandler here. I knew Barbara in Indianapolis in a good time in the lives of our lives when we could enjoy our homes and she saved my life when I came to her home after knee surgery. Lots of work for Barbara but many laughs for us too. She was positively the neatest person i will ever know. I have missed her for years and I will forever.

I have missed Barbara in my life since she moved to Florida. We often played cards together, shared stories both enlightening and sad and often had dinner together when she lived in Indianapolis. My condolences to her family.
