“ *Uncle Bear, you will be so missed. Your energy and happy spirit was always something we looked forward to. You made us feel loved and cared for and understood every time we had the opportunity to catch up. Matt and I will never forget how you gave us our first (and only!) experience of flying first class 20 years ago. I'm forever grateful for how loyal and caring you were to my Aunt Diana too. You were such a blessing. I'm sad I couldn't make the funeral, but we will surely miss you Uncle Bear. Know that you were loved and that your kindness and pursuit of us when we were together holds strong in our hearts.*
