“ I worked w/BartJ. Meola during the time that I lived in the Bronx, New York. We were very good friends until he got a promotion w/the Insurance Co. we were working with. After his transfer I lost contact w/Bart. My deepest condolences to the Meola family for a very sad loss. If I could have a copy of the program printed by the funeral parlor given to family and friends during viewing and service would surely be appreciated. "Rest in Peace - Bart..

“ Did this gentleman work for the John Hancock Insurance Co. in New York City during the 1950's? Worked with a person with the same name and became very good friends till he was promoted and transferred to upstate New York. Regardless, my condolences to the Meola family.

“ Dear Family, may your many shared family memories bring you comfort during this time. King David had the thought recorded that Almighty God is close to those who are brokenhearted; He saves those who are crushed in spirit. (Psalm 34:18) Our sincere condolence to all of you.
