“ *Dear Karen and family, Ford will certainly be missed in the tennis community especially. He was one of the good guys and had great spunk. With that awful cancer we can't wish him back as he is at peace now. We will keep you and your family in our prayers.*

“ *Karen, Sue, and Jeff, The most natural memory of Uncle Ford for me was his constant smile, and quickness with a joke. I never saw him any other way. Family holidays were always filled with laughter with him around. He will be missed. ~Kathy and David*
