“ *My sympathies to those of you who must be so sad right now. Try to hold in your heart how very, very, lucky you were to have had her in your life for so long. Aunt Bea was my absolute favorite. She always made me feel loved, abundantly and unconditionally. I know that I was not alone. The world is a darker place without her light.*

“ Gary and Family My thoughts are with you. I have not seen your parents since Wendy my oldest daughter was a toddler and she is now 45. I do remember their home in Maryland and thought the setting was lovely. I pray your father continues to do well.

“ Dear Raymond and the Woods' Family, Our hearts go out to you. Remember, she who lives in the hearts of her loved ones is not dead, she is but far away. She is only dead if ever forgotten.
