“ Norman, Beth, Frances, and Kids. We are thinking of you all miles away, you are in our thoughts and prayers. Benny was a great man that I know will be missed much. He and Dad had some long, good talks over the years he sent flowers and calls when dad was sick in the hospital. I liked when he would come visit and I remember visting him down there in sunny Florida, Granny and papw left me down there for a day, Mom and dad was on there way down to visit. Benny took me to the side of the road and cut a piece of cane and made a cane pole for us to fish with. I remember that day like it was yesterday. Once again we are thinking of you all.
