“ *To my loving husband of 35 years. I love you and I always will. I will see you again. I know you were sick but I did not realize you were that sick. It was so sudden, I didn't have time to even think. Your favorite paramedic had you flown to the hospital by helicopter to Ocala Regional and you didn't get to enjoy the ride. I am sure that all of your pain is gone and I am happy about that, but ai need you here. I really miss you. I have never felt so alone in all of my life. Decisions, decisions, decisions, that was your department of our marriage. I am having the picture that you always wanted mod podged on the plaque to hang on the wall. I finally figured out what picture. I also want to wish you a very happy birthday. Hugs and kisses to you. Until we meet again, I love You!*
