I loved watching the pictures and especially the videos at the end. He was a special man.

I remember when my Mom was staying in the Villages one year. She had fallen and had to be in a wheel chair for a while. Bernie would come over every morning to walk my Mom's dog for her. He would then stay and have a cup of coffee & some conversation to start the day. Bernie didn't know her very well at all but he took the time to help her out and put a smile on her face. That meant so much to her.

Bernie was a blessing to all who knew him. He was a kind and gentle soul. We will miss his smile..a smile you could see from a mile away..

*Dear Family,
Bernie!!! What a great soul.
He is one of the most cheerful people I've known. Always with a good thing to say for everyone.*

As a teen getting to witness Eileen and Bernie as sweethearts was a treasure. I may have been younger but i could feel the power of your love. When Jennifer was born... The whole world was miraculous.

I feel blessed to have you in my life and am very thankful for the time i got to spend with you. Much Love, Cailin OToole..... oxo

“ What a sweet and caring man. Bernie was the perfect next door neighbor. He was always smiling, welcoming and best of all willing to share a laugh. We heard many stories about the apple of his eye, his sweet granddaughter. God took one of the best when he welcomed Bernie into heaven.
