“ *Carol Linda and I were shocked to hear about Bernie. We are in Atlanta now and can't make the service. Biltmore was a special place because of everyone on the block and Bernie was a big part of it. He was always there if you needed help. He will be missed. Tony Sutylo*

“ *Carol, I was so sorry to hear about Bern passing. I recall fondly the afternoons when he taught me how to put up a service, how to move about a stick and especially, the rides he gave Lana and myself! I think about you two every time I'm out riding the Harley and pass your old place on the frontage road. Take care and if there is anything I could do for you, please feel free to get in touch.*

“ Dear Carol, I was so sorry to read of Bernies passing. The picture here looks so like him. I remember him as always being happy and smiling. I think of you both so often as I drive down the interstate and see your old place. Your Glenarm Retired Mail Carrier, Sandy.

“ Carol, we are so sorry to hear about Bernies passing, our thoughts and prayers are with you. I have many great memories, but perhaps the greatest is the time spend during the renovation of the First Church. Never have I seen someone that would work as hard as Bernie then break for lunch and before the could sweat dry he'd have the whole room in laughter. Undoubtedly, his work on earth has earned him a great place in heaven.
