“ Dear Bill, Nancy and I were so saddened to hear about Bernice passing. We so enjoyed our times together in the setting of FDS. You guys were such great dancers and fun to watch. We were hoping to attend the Funeral Mass, May 17th but I was laid up with complications of my own cancer treatment. Please know we are thinking about you Bill and send our love to you and your family.

“ I am so sorry for the passing of Bernice my condolences to her Family . During this difficult time I would like too share with you a promise and it's at Revelation 21:4" And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Soon death will be done away with and we will see our loved ones again I hope God's promise can give y'all comfort during this trying time.
