“ So sorry for the loss of your mother. She was always very good to my mother-in-law, Phyllis Wickham and sending her cards and letters. A few months ago I sent her a letter updating her on Phyllis situation and her new address. She was in an assisted living and trying to cope with dementia. The letter was returned unopened. My prayers for you and your family during this time.

“ So sorry to hear of Bernie's passing. I had the pleasure and opportunity to work with Bernie at Leesburg Family Medicine for a short while. She was a great person to work with, very knowledgeable, and had a beautiful spirit about her. My thoughts and prayers to her family.
