“ *I loved Bertha a lot. When I was a little girl I would sometimes go across the street to the Post Office and when she wasn't busy, she'd answer all my stupid questions. Didn't matter what I would ask. She was always very cheerful. It meant a lot to me. I'm very saddened for you all, the Lucas family. I will always remember her fondly.*

“ I grew up in Astor in the 50's and early 60's when Bertha was driving the school bus. In fact, for a short period of time after my dad sold the fish camp, we rented a house from Curt and Bertha on Highway 40 where they once raised shiners (I think it was shiners). I have such fond memories of those years. My condolences to the family. I am so sorry for your loss.
