“ I will miss this lovely lady. I was one of her caregivers and spent many fun hours with Betsy. We played countless games of Scrabble. Betsy always spoke of her family and it was evident of her deep love for them. She was always saying how proud she was of her children and grandchildren. One thing Betsy taught me was how to make her soup. I've made it for other people and they enjoy it. I think of Betsy when I'm making it and it makes me smile. She was a wonderful person and I feel honored to have known her.

“ Her passing is sad, but I hope knowing that she is with her Leo, Sr., in that lovely kingdom of God, will give comfort to her lovely family. May she rest in peace and let light perpetual shine upon her.

“ Betsy was a wonderful, loving and unique Mother, MIL and Grandmother. A very special lady... We loved her very much and will miss her every day. We have many happy (and funny) memories of her that will live on. We are so happy that our prayers were answered and are confident that she is in a better place.

“ I'll miss my Grandma alot . The most I'll miss is writing her a letter, (to update her on my family) calling her on the phone to said "Hello" , and going to visit her in Florida. Plus I always made grandma laugh and her smile when she has a gloomy day. Here is a poem for her. ~Psalms 23:1-6~ The LORD is my Shepherd, I shall not want. He makes me lie down in green pastures, He leads me beside quiet waters, He restores my soul. He guides me in paths of righteousness for His name's sake. Even though I walk through the valley of the shadow of death, I will fear no evil, for You are with me; Your rod and Your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. Surely goodness and love will follow me all the days of my life, And I will dwell in the house of the LORD forever. Amen.

“ Dear Mom. We know you are happy now with Daddy. I always wanted you to know that I appreciated how you both raised me. We had our differences and struggles through the years but I always knew you loved me. I am so glad I had the time with you that I did. I will miss you terribly but know I will see you one day on the other side. All my love. June

“ Dear June, Betty, Lee Ann, Leo and all the family: I too share your sorrow. Betsy was a unique person and although we did not see a lot of each other, there was never a missed Christmas Card and the "out of the blue" phone calls, just to say hello and to stay in touch. All of you have been blessed to have her for your mother, grandmother, friend. God Bless each of you. Larry

“ *If roses grow in heaven, Lord please pick a bunch for me, place them in my Mother's arms, and tell her they're from me. Tell her I love and miss her, and when she turns to smile, place a kiss upon her cheek, and hold her for awhile. Because remembering her is easy, I do it every day, but there's an ache within my heart, that will never go away. I love you mom and will miss you forever. Lee Ann*
