“ Dear Shannon, My name is Lynn Zuellig. I and your Mom were office mates while we taught together at MSU. We were great roomies! After your parents moved to Florida we stopped on to see them on our way to Sanibel Island. They had just finished their new pool and were planning to start their house. I always loved that they built the pool first. We had a great visit with our 9 month old daughter, Alissa. Soon after we found out your parents were pregnant with you. We were so thrilled. Today we are driving back to Michigan and just coming up on Lees burg. Thought we would call to see your Mom. I was so shocked to see her obit. She was a wonderful person and awesome nurse. My prayers and thoughts are with you. God bless. Lynn
