“ We only met Mrs. Babcock once when she came to visit Nancy in Bastrop. We had lunch and we enjoyed visiting with her. When looking for a Bible verse to post, this one seemed very fitting because of all the handwork she created over the years. Our condolences and prayers go out to Nancy and the rest of her family.

Proverbs 31:31 NIV

Honor her for all that her hands have done, and let her works bring her praise at the city gate.
