“ Dear Bill, Please accept my most sincere sympathies on the loss of your mother. I learned about it from John Riley at the club. I lost my mother at the same age as your Mom, 86, in 2007. She lived in Leesburg for 20 years after she and my Dad moved there following his retirement in 1986. My family and I will offer our prayers for and keep the memory of your Mom in our hearts. May God bless her and may she rest in peace. With sincere condolences, Bob and Judy

“ *What I liked about Betty was her sense of humor and her quick wit. She loved her family, her red garden and her dogs. You will be missed. Fondly, Noelle*

“ *My deepest, heartfelt condolences to my friend Bill and his entire family. There are absolutely no words to express what its like to lose a parent, it may seem like the world is upside down, but I am reminded that no matter how shattered we may be, if the Lord brought us to it, He will bring us through it. Mom is always here with you. Her light will shine on the darkest of nights.*
