“ My Aunt Betty was so much fun to be around. I remember when her and Uncle Ray wanted to know what I wanted for Christmas as a little girl. I wanted white boots. So off we went to Pittsburgh on a snowing cold day. We went from store to store to store to more stores. Lol. Uncle Ray and Aunt Betty had no girls and well; I was theirs. We had so much fun and I don't think I really cared if I got those boots. Because I had the best day ever with the two most precious people in the world. I was their little girl, and they were the best Aunt and Uncle a girl could ever asks for. Until we meet again...I will miss you everyday❤️❤️❤️
