“ I am heartbroken with the passing of 'Mom' Harter. I am so fortunate and blessed that Mr. and Mrs. Harter have always been my second set of parents, from age 5 through my adult years. As neighbors in Ohio when you became special friends to my parents and after they passed, throughout all the years no matter where any of us lived we were always in touch, always fitting in a visit when I came to Florida. To 'Dad' Harter, I hope you find comfort in the memories and love you shared. You are so loved. Tom/Richard and families, I am so deeply sorry for your loss. Your mom was a wonderful, special person to me and I thank you for sharing her with me for all these many years. I grieve with all of you. My deepest sympathy.

“ I am so very surprised and saddened to receive the news of Betty's passing. We had emailed not too long ago. She had been faithful for many years now to always pass along information about our ORA friends. Betty and Clarence were both so supportive and involved in the activities at the resort. They were loved by many. I appreciated their generous time and effort over the years to make the programs successful. One of my most vivid memories is Betty as one of the California Raisins. She was great. I will miss hearing from you Betty! Hope you're reunited with all our friends once again. Love you Clarence! Always, Linda H.
