“ Perry and Family, We were so sorry to hear of your Mothers death. It is very hard losing our parents and other loved ones. A piece of the family is missing. Betty wrote to Sarah when she lost Nicholas as she understood that kind of pain. That meant alot to all of us. You will always have your memories and these help to ease the loss. You will all be in our thoughts as you go through this difficult time. Love, Phil & Jean

“ To each loved one of Betty's, may you only think back and hold the beautiful memories close to you and let the sad and bad ones go. You are examples of her love, prayers and life. She lives in each of you. Always remember one day we will meet her again, with a smile on our faces & love in our hearts and when we see her she will be smiling that awsome smile of hers. Enjoy your new home, betty, dancing and walking with Jesus. Thank you for your wonderful example of what a Christian is and how to be real.

“ *OIt was my joy to have known dear Betty since meeting her in Circle at 1st Presby. Leesburg. Even in spite of her illness, she was always so "UP" each time I'd call her! What an inspiration she was to each of us that knew and loved her. I have lost a lovely friend. My sympathy to her loving family.*

“ Betty is now at peace, she is a true example of one that has run the race and fought the fight! Of all the wonderful words that could be spoken about Betty, I will always remember her as being an encourager with those to who she graced her presence. She loved sharing news about her family. You are all in my thoughts and prayers, God Bless.
