“ We knew Betty Ann through her son Greg and the wonderful flowers she provided for each Sunday service. And, just as those flowers were passed on to others to enjoy, so too are the memories of her. It was her ardent desire that the construction of the new church be completed. When done, she will be remembered again.

“ We know Betty Anne through Greg and her generous donations of flowers for each Sunday's service. And, just as the congregation passed those flowers on to others to enjoy each week, so to will her memory be continued to be enjoyed by her family and friends. It was her strong desire that the new building for St. Alban's be constructed and when done she will again be remembered.
