“ Words cannot describe Betty to the fullest. She was one of the most kind, considerate and loving people I've had the pleasure of knowing in my life. She was a gift to me and so many other people that knew her. I know she is with our Lord walking the streets of heaven visiting with everyone and loving every minute of it! God Bless dear, sweet Betty!

“ *My Grandmother was a huge inspiration to me through her continued prayers and support all through out my life. Her favorite saying was always, "Keep on Keeping On." We would always talk on the phone for an hour or more each weekend, I enjoyed her sage advice to pull me up. She will be dearly missed. -Denny L Hunches (Richmond, Virginia)*
