“ Gram was the best gram ever. Whether it was taking me to Ocean City, Md when I was growing up or when it was singing one of my kids asleep in her rocking chair with her made-up Go to Sleep song. She will be missed by many and remembered by everyone who she has touched.

“ Mamoo was a very nice ladie. I can remember when I would brush her hair and laugh at her jokes she told me. Also us playing cards on the patio, it was so much fun. She gave me a lot of wild cards while playing up and down the river. She would just laugh so when she noticed that she gave me one. One thing that she didnt think that was fair because i could roll my tongue and she couldnt no matter how hard she tried. She will be missed by me alot. I love her so much and miss her
