“ I am so sorry for the loss of Betty,my condolences to the Peterson's and Family. I know too well the pain of losing a love one in death.What brings me great comfort is the promise from God in Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."We will see our love ones again and death itself will be done away with. I hope this brings you as much comfort as it does me.
